For: CDMA RECEIVER PERFORMING A PATH SEARCH, PATH SEARCH METHOD,
AND PROGRAM THEREFOR

STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on

May 8, 2007:

REMARKS

Attorney for Applicant contacted the Examiner for clarification of the corrected drawings requirement in the Notice of Allowance dated April 20, 2007. In response, the Examiner indicated that element 34 of Figure 1 was apparently mislabeled. Instead of reciting "Pass Search Section", the Examiner indicated that the element should be changed to "Path Search Section", so as to be consistent with the description in the specification at, for example, page 8, line 26.

1. Accordingly, a Replacement Figure 1 is filed herewith, and withdrawal of the requirement for corrected drawings is requested.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Brian K. Shelton', written over a horizontal line.
